

General Assembly

January Session, 2003

Proposed Bill No. 6294

LCO No. 2282

Referred to Committee on Public Safety

Introduced by:

REP. DARGAN, 115th Dist.

**AN ACT CONCERNING EXPENDITURE OF PUBLIC MONEYS FOR
WIRELESS COMMUNICATIONS.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to provide that no public
- 2 moneys shall be expended by any state or municipal entity for any
- 3 wireless or radio communications equipment or service for use in any
- 4 public safety application, unless the communications system upon or
- 5 within which such equipment or service operates is, at the time of such
- 6 equipment installation and first use, an open access system.

Statement of Purpose:

To provide that any wireless communications systems that are funded by public moneys and are to be used in a public safety application are open access systems.
